I confirm that this waiver is for **electrical work only**. I acknowledge that development, change of land use, structural work, demolition, or structure relocation, can take place on my property only with a valid building or development permit. I further acknowledge that permit violations are Category E offences subject to penalties under the *Community Planning Act*. By signing, I grant permission to SNBSC staff to enter the land, building or premises at all reasonable times for the purposes of conducting inspections related to the waiver.
