- Any existing structures on lot
- Existing or proposed driveway

 Street

Notice of Inspection

Where a building permit has been issued, the person named as the Owner is required to notify the Building Inspector 48 hrs prior to the commencing of any work, as well as a 24-48 hr notice before each mandatory inspection as identified on the Building Permit.

I acknowledge that the SNBSC will be registering a notice through SNB Land Gazette Registry against the property described in this application and this notice will remain until all mandatory inspections have been completed and any notified deficiencies rectified.

I acknowledge that all work performed in connection to a Building Permit will comply with the National Building Code of Canada 2015 & if applicable, National Energy Code of Canada 2011. By signing I also acknowledge that I have been advised of the required inspections.
