PART A: GENERAL

1.1 Title

This By-law may be cited as the Village of McAdam Rural Plan.

1.2 Area Designation

The area of land lying within the territorial limits of the Village of McAdam, as described by Subsection 67(2) of Regulation 85-6, under the *Municipalities Act* and as outlined on the map attached as Schedule A, entitled "Zoning Map", is designated for the purposes of the adoption of this Rural Plan and is the area to which this By-law applies.

1.3 Purpose

The Rural Plan sets out Council's long-term policies and proposals to guide future land use development. The Plan is intended for use by Council and residents to guide day-to-day decisions with respect to land use development and capital expenditures. The Plan should be reviewed every five years in accordance with the provisions of the *Community Planning Act*. Periodic amendments to the Plan may be required. These should be undertaken with due process, including public consultation, as outlined in the *Community Planning Act* for Plan amendments.

The adoption of a Rural Plan does not commit the Village or Province to undertake any proposal therein stated (as per Section 27 of the *Community Planning Act*), but shall prevent the undertaking of any development that is inconsistent or at variance with:

- (a) In the case of the Village, any proposal or policy so outlined or suggested; or
- (b) In the case of the Province or a person, any policy or proposal so outlined or suggested

For clarification, in this Rural Plan, a Policy is a statement reflecting community objectives and outlining a means to achieve them. Policies are the foundation of the Plan. All other components of the Rural Plan, including the zoning and development standards, as well as any amendments thereto, are to conform to the intent of these policies. Proposals are actions that are desirable, but not essential to meeting the objectives of the Rural Plan. While Council is not required to undertake any stated Proposal, it cannot enact measures that are contrary to a Proposal.

1.4 Organization

The contents of this plan include:

- (a) Part A, which outlines the title, area designation, contents and purpose of the plan;
- (b) Part B, which outlines the policies and proposals of Council; and
